Have your say on questionnaires about living with MS and exercise

Reward: $30 grocery voucher

Do you have multiple sclerosis (MS)? Would you be willing to give us some intensive feedback on the questionnaires we use in research?

We would ask to record you “thinking aloud” as you complete some questionnaires about living with MS and the physical activity that you do.

People who participate will be compensated with a $30 grocery voucher for your time and your travel costs. Taxis can be arranged.

Interested in participating? Please ask your physio for more details or contact the researchers:

Sarah Featherston (feasa569@student.otago.ac.nz)
Tara Ruhen (ruhta319@student.otago.ac.nz)
Cath Smith (cath.smith@otago.ac.nz)
or telephone: 03 479 4034

School of Physiotherapy, University of Otago, Dunedin

Your help is very important in making our research happen.

This study (A “think aloud” study of questionnaires about well-being and physical activity) has been approved as a Category B study.
